

Bromley Brighter Beginnings (BBB)

OUR SUPPORT

We were proud to support Bromley Brighter Beginnings by donating 142 items of clothing to help local families in need. Our donation included shirts, skirts and PE kits suitable for a wide range of age groups.

In addition, we recently contributed to their Christmas for Every Child campaign, which spreads joy and magic to families during the festive season. With generous support from our friends at L&Q, our team donated over 70 Christmas jumpers, stocking fillers and chocolate, 8 family Christmas hampers and 8 supermarket vouchers.

THE OUTCOME

Our support has helped Bromley Brighter Beginnings provide essential items to families facing hardship. By contributing to both everyday needs and seasonal initiatives, we've played a small part in making a positive difference in the community. We look forward to continuing our support and helping more families in the future.

HOW WE HELPED

Supporting BBB by donating essential items and seasonal gifts to bring smiles to families in need.

ABOUT THE CAUSE

Bromley Brighter Beginnings (BBB) is a volunteer run charity dedicated to helping vulnerable families across the London Borough of Bromley. They focus on raising awareness about the level of poverty in Bromley and the impact of this on the lives of children and their parents.

"For lots of parents it is simply impossible for them to provide all the items schools require. We want to relieve some of this pressure on parents and ensure all children across the borough can go to school wearing the correct uniform and feeling proud and confident in their appearance. This donation from ECF will help many vulnerable families across the borough, so a big thank you from all of us at Team BBB."

Jenny Manning, Fundraising Volunteer at Bromley Brighter Beginnings
